Java • Android Development • WordPress • UI Designing (Figma) • Firebase Database • System designing • Git • Teaching • Organizational Skills • Operating System • DBMS • HTML • CSS • JavaScript • Mentorship • Project management

Projects

GossiPie

Indian Chat App with Unique Features.

- **In-App Locker:** Engineered a robust in-app locker, providing users with an extra layer of security for their sensitive conversations and media.
- **PieNotes Integration:** Seamlessly integrated PieNotes, allowing users to effortlessly jot down thoughts while chatting and access them on the fly.

Blaze

Innovative Instant Messaging App.

- **Full-Screen Messaging:** Created Blaze app with user-friendly full-screen messages.
- **Enhanced Entertainment:** Enriched user options with ad-free movies and TV-series streaming.

AskMate — <http://askmate.great-site.net/>

Finding nearby coaching easily.

- **Find Coaching Centers:** Easily locate nearby coaching centers with detailed information.
- **News Updates:** Stay informed with the latest news and updates on coaching centers and education.
- **Q&A Section:** Ask questions and get answers from experts and fellow students.

Lntu Connect

App designed for LNCT University Students.

- **Share Posts and Stories:** Post photos, videos, and updates for others to see.
- **Ask Questions:** Get advice from classmates and seniors.
- **Connect with Classmates:** Build friendships and stay in touch with people from your college.
